

DA UPDATES NOVEMBER 2, 2011

Membership

Initial membership is due by November 15th. **If you will be holding your DLC in November your members need to be in the system PRIOR to your DLC. I check the lists against the membership for each DLC.**

We are nearing the initial deadline and as of this morning I have 79 chapters reporting their membership. There is always a rush in the next two weeks to get your rosters in. I am showing 133 not reporting so we still have quite a ways to go!

I would like to recognize District 3, 8, 10, 25 and 32 for their increase in membership as a district. Districts 8 is 4 members from earning another slot this year and District 10 has already achieved 1st-4th places at SLC. Way to go!

Key: #=Current Membership; 1011= Last Year's Membership; Per = Percentage up or down; Need= membership needed to match last year's membership; Overall=ranking among all districts in size; Level= number of members you need to get another slot for SLC; Slots= current number of places you can take to SLC.

Final Comments

As your membership campaigns are coming to an end you may be asking why we are pushing this so hard. While this could be a thirty page manual I will sum it up to this – DECA does great things for its members and in return our members grow, learn and experience things they will find nowhere else. Why keep this treasure to ourselves? We push for membership to strengthen our organization and to continue to provide the opportunities and resources we currently have to our new members.
