

DA UPDATES OCTOBER 10, 2011

Membership

Initial membership is due by November 15th. **If you will be holding your DLC in November your members need to be in the system PRIOR to your DLC. I check the lists against the membership for each DLC.**

It is still early in the membership drive. Our chapters are doing well so far. 5 have met their 15,000 member goal, 5 have maintained, and 9 have fallen behind last year's membership.

Key: #=Current Membership; 1011= Last Year's Membership; Per = Percentage up or down; Need= membership needed to match last year's membership; Overall=ranking among all districts in size; Level= number of members you need to get another slot for SLC; Slots= current number of places you can take to SLC.

District Presidents

Your DP reports were due today if you currently have a DP.

DLC Information

Today you will be receiving the tests. All 5 tests will be sent to you in 100 question format. You may opt to give a 50 question test. Please offer questions 1-50 if you want the 50 question version.

Please refer to your DECA guide when matching tests with events. Please give the correct test for each event so your students are prepared for competition at the State Level.

DLC Procedures:

Prior to your DLC you need to send me all registered students. I will be checking membership prior to DLC rather than after they have competed.

Within 3 days of completing your DLC I need you to complete the winners report online and the download the participation report off of the website.

Chapters Nominated by DPs:

Your DPs will start completing reports on October 10th. Please have your DP complete the report for the previous month. At that time they are asked to nominate one chapter to be recognized.
