

MARKETING SUDOKU

Rules:

There are nine sections of nine squares in the puzzle. The object of the game is to fill in all the blank spaces with letters M to G (MARKETING). The letters can be in any order, but there are a few catches.

- In each of the sections, no letter can be repeated
 - Letters can't be repeated in each horizontal line of nine squares
 - Letters can't be repeated in each vertical line of nine squares
- You solve the puzzle when you correctly fill in all of the squares.

Difficulty: Entry-level

T		M			N	A	E	
			T		M			
	N		E	I	G			T
K				T	E			N
G		T					M	A
		R	G		K			
	R	G			A		K	I
E		A		K	R		N	
I	K	N			T			

Difficulty: Management Level

		M				E		G
E								
			K	N				
	R	E					K	
	I		G					A
				I		N		M
		I	N					
R	K	A						T
		G	M				A	

MARKETING SUDOKU (Answer Key)

Rules:

There are nine sections of nine squares in the puzzle. The object of the game is to fill in all the blank spaces with letters M to G (MARKETING). The letters can be in any order, but there are a few catches.

- In each of the sections, no letter can be repeated
- Letters can't be repeated in each horizontal line of nine squares
- Letters can't be repeated in each vertical line of nine squares

You solve the puzzle when you correctly fill in all of the squares.
