Reporting Incidents

If a student (delegate) violates the Virginia DECA Comprehensive Consent Form and Code of Conduct, consequences will be determined by the Virginia DECA State Advisor, in consultation with the chapter advisor. The chapter advisor must immediately contact the State Advisor. Parents/guardians, school officials, and local authorities will be notified as appropriate. Incident Reports are located in the Advisor Portal.

Conference Policies and Procedures

What paperwork am I required to have?

TIP: Turn in your paperwork now! Don't wait until the last minute.

- All Advisors must have the **Advisor Statement of Compliance** on file before a chapter can register. This should have been done in the fall but can be found in the Advisor Portal.
- Every student must have a **Comprehensive Consent Form** on file with the advisor prior to SLC. These will not be collected but should be with you when you travel.
- Field trip permission slips and medical information per your district requirements.

Judges

- Chapters are encouraged to assist in recruiting judges who are business professionals. We will need both on site judges and those who are comfortable working in an electronic format to evaluate written events prior to the conference.
- Chapters will receive a \$40 credit toward ICDC for each judge recruited and who shows up at SLC on the day of competition or assists in pre-judging.
- Please share the Judge Application link with any individuals you feel would make a good judge for both role play and written/prepared events.

ADVISOR SLC DUTY

Dear Advisors,

The Virginia DECA State Leadership Conference would not be possible without the incredible support of our **250 advisors, 300 judges, and more than 50 volunteers**. Last year, we hit a record **5,200 attendees**, making this the largest CTSO event in the Commonwealth!

This conference is truly a team effort, and we rely on every advisor's participation to ensure that SLC runs smoothly and provides the best possible experience for our members. National DECA will expect the same level of commitment at ICDC.

Please note the following reminders:

- Attend your assigned duty.
- Shuttles will begin running at 7:00 a.m. — please plan accordingly.
- Do not arrive late or leave early.
- If you are unable to fulfill your assigned duty, contact the event director immediately so alternate arrangements can be made.
- Duty assignments will be shared prior to SLC.
- Advisor lunches will be provided.
- Dress professionally, including appropriate footwear — no flip flops.

Thank you in advance for being part of this amazing team and for helping make the Virginia DECA SLC a success!

Entrepreneurship Pitch Lab

Think of it as a Farmer's Market for young entrepreneurs! The Pitch Lab gives DECA members the chance to showcase their creativity, test business ideas, and engage directly with customers.

Some participants use the event to gauge customer interest in a new concept, while others come ready to sell their actual products. Whether you're testing, selling, or simply learning, the Pitch Lab is an exciting opportunity to gain real-world feedback and experience the thrill of entrepreneurship in action.

How It Works

- Participants set up a table to display or sell their products.
- You can include a market research component to learn from your customers.
 - For example: offer samples of cookies in different flavors and create a voting board where customers place stickers to choose their favorite.
 - This feedback helps identify which products resonate most with consumers.
- **The event is peer-voted**, so students can participate in both their competitive event and the Pitch Lab.
- Table and table covering provided to participants.

Recognition

The 1st place winner of the Pitch Lab earns a spot in the Emerging Leadership Series at ICDC!

Virginia DECA Late Payment Policy

Virginia DECA operates as a non-profit organization and is committed to serving our members, advisors, and partners as efficiently as possible. Delayed payments create administrative challenges and may jeopardize our relationships with partners and vendors. To ensure smooth operations, the following payment policies apply to all Virginia DECA conferences and events.

Payment Due Dates

- Payment due dates for all conferences and events hosted by Virginia DECA will be posted at least 30 days prior to the opening of the registration window.
- All payments are due no later than seventeen (17) business days after the close of the registration window. **SLC Payments are due by February 2, 2026.**

Payments Dated On or Before the Deadline

- Payments dated on or before the posted deadline will receive a three (3) business day grace period for Virginia Tech / Virginia DECA to receive the payment.

Payments Dated After the Deadline

- Payments dated after the deadline—or payments dated on or before the deadline but received more than three (3) business days after the deadline, will incur a **late fee of \$50.00.**

Example: A chapter owes \$450 for a conference. The payment deadline has passed. The chapter incurs the \$50 late fee and now owes \$500 to Virginia DECA.

Additional Late Fee

An additional late fee of \$25 may be assessed for every ten (10) business days an invoice remains past due, including previously applied late fees.

Continuing Example: The chapter has not paid the \$450 balance, and 15 business days have passed since the deadline. An additional \$25 late fee is added. The new balance is \$525.
